FOREWORD

Our Invitation to the N. W. Mo. Sale

We most cordially invite you to attend our fall sale if you are interested in good livestock.

The Northwest Missouri Shorthorn Association sales have been recognized for many years as one of the good sales in the state of Missouri and the members of the association are now using some of the best herd bulls to be found anywhere.

The bulls to be offered include a few that have been in service in good herds and they are nearly all old enough for heavy use. You can find females in the offering to fill your needs, whatever they may be—cows with calves, bred heifers, open heifers, just ready to breed and we are selling several groups of younger open heifers that are real attractive.

Come and spend the day with us and visit and talk “shop” with your friends who are also boosters of a fine breed of cattle.

GENERAL INFORMATION

LOCATION—The sale will be held at the Maryville Auction Co. Sale Barn on Highway 71, south part of Maryville, Missouri, on Saturday, October 5, 1968.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignors from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

STANDARD GUARANTEE OF AMERICAN SHORTHORN BREEDING ASSOCIATION

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such a case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.

BIDS—Those wishing to buy who cannot be present, may send bids to Bill Stunkel, Shorthorn World; Ted Aegeter, American Shorthorn Breeders' Association, or to William Hartman, the sale manager.

A good group of well bred young heifers registered and vaccinated for Bangs, Blackleg and Rednose. These heifers are all out of solid red cows and are the first daughters of Karburn Event to be offered for sale. Karburn Event is proving to be a good sire of both bulls and heifers. Karburn Event's sire, Hickories Ensign, was a very prepotent sire for Cary Colburn.
